

Incoming Wire Transfer Fact Sheet

To receive an incoming wire transfer to your First U.S. account, the following details should be provided to the initiator. Missing or incorrect information may result in your wire being delayed, misrouted, or unrecoverable.

Domestic Wires	
Wire To	First U.S. Community Credit Union 580 University Ave. Sacramento, CA 95825
Routing Number	321175481
For Credit To	Member's Name (as it appears on the account) Member Number + Share Suffix (share account to receive funds)
International Wires	
<p>First U.S. does not have a SWIFT/BIC code or IBAN. The initiating foreign bank must send the wire through their correspondent U.S. bank, instructing them to forward to First U.S. Community Credit Union with the details noted above.</p> <p>There are fees for incoming wires. Please refer to our current Pricing Schedule for details.</p> <p>For questions concerning incoming wires, please call (800) 556-6768.</p>
